AN EXTRAORDINARY OFFER.

To all Wanting Employment.

We want live, energetic and capable agents in every country in the United States and Canada, to sell a patent article of great merit, on the merits. An article having a large sale, paying over 100 per cent. profit, having no competition, and on which the agent is protected in the exclusive sale by deed given for each and every country he may secure from us. With all these advantages to our agents, and the fact that it is an article that can be sold to every householder, it is not necessary to make an "extraordinary offer" to secure good agents at once, but we have concluded to make it, to show, not only our confidence in the merits of our invention, but in its ability by any agent that will handle it with energy. Our agents now at work are making from \$150 to \$300 a month, clear, and this fact makes it safe for us to make our offer to all who are out of employment. Any agent that will give our business a thirty days' trial and fail to clear at least \$100 in this time, above all expenses, can return all goods unsold to us and we will refund the money paid for them. Any agent or general agent who would like to see more copies and work them through sub-agents for thirty days, and fail to clear at least \$750 above all expenses, can return all goods unsold to us and we will refund the money paid for them. Our large descriptive circulars explain our offer fully, and these we wish to send to everyone out of employment who will send us three cent stamps for postage. Send at once and secure the agent in time for the boom, and go work the terms named in our extraordinary offer. We would like to have the address of all the agents, serving machine sellers and carpenters in the country, and ask any reader of this paper who reads this offer to send us at once the name and address of all such they know. Address at once, or you will lose the best chance ever offered to those out of employment to make money.

CURE FOR PILES.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, as flatulency, uneasiness of the stomach, etc. A discharge, like perspiration, producing a very disagreeable itching, and getting warm, is a very common attendant. Blind, bleeding, and itching Piles yield at once to the application of Dr. Bosanko's Pile Remedy which acts directly upon the parts affected, absorbing the tumor, allaying the intense itching, and effecting a permanent cure. Price fifty cents. Address, The Dr. Bosanko Medical Co., Piqua, Ohio. Sold by Dobyns & Gibbs.

Price, Five Dollars. Bottles of five, ten, and twenty dollars. Sold by Dr. J. F. Llewellyn's Drug Store. Large bottles, \$1. 11
